ACDEMIC ACTIVITIES AND ACHIEVEMENTS

DECEMBER 2022 TO MARCH 2023

Department of FET organized two Industrial visits for our students. In February, our students B.E. 2nd year students visited *PAGRO FROZEN FOODS PVT LTD and KANDHARI BEVERAGES PVT LTD, SADHUGARH, PUNJAB*. This visit provided them with an opportunity to see first-hand how the food Industry works. There was an important learning about the hygiene practices which becomes the part after COVID-19.

It is pleasure to acknowledge and highlight the hard work put in by *Dr. Navdeep Jindal (Associate Prof.) Mr Ashwani Kumar (Assistant Prof.), Ms Anjali Mishra (Guest Faculty), and Prof. Vikas Nanda (HOD)* in organizing the Industrial visit. Their dedication and effort have resulted in a successful and informative visit for the students. The sincere gratitude to Prof. Shailendra Jain (Director) and Prof. J.S.Dhillon, Dean (Academics) for kind permission and financial support from in organizing the Industrial visit.

Our Integrated Certificate Diploma Programme students visited S.K. Agro Food Industries, Badbar, Distt Barnala, and Jawanda Organic Farms, Badbar Road, Distt Barnala Punjab on 3rd February 2023. During the Industrial visit to S.K. Agro Food Industries, wheat milling plant, our students learned about the entire wheat milling process, from the arrival of raw wheat to the final packaging and distribution of the milled products. It is pleasure to acknowledge and highlight the hard work put in by Mr Ashwani Kumar (Assistant Prof.), Mr Manoj Pandey, (Senior Technician), Dr Om Chand (Senior Technician), and Prof. Vikas Nanda (HOD) in organizing the Industrial visit.
